

In Service PV Employee Briefing

3/21/2012

- Intro....PV.....
- Why PV.....Obesity and related diseases (CVD, DM, HTN)..... one in six people is obese.....health problems.....cholesterol in children as early as 5 years.....need to provide better alternatives to ourselves and people around us.....need to make changes gradually.....
- Need help from Staff.....no one else can do a better job promoting PV than food service staff....
- Future tentative plan.....PV display.....napkin holders.....counter top signage....PV badges.....plate designing.....photography.....Recipe submission.....customer service.....Survey.....

In Service Employee Briefing for PV
